

Village of Sturtevant Master Bicycle Plan Public Input Meeting

**Wednesday, July 18, 2007 at 6:30 PM at the Sturtevant Village Hall,
2801 89th St. Sturtevant, Wisconsin**

**The Village of Sturtevant is seeking public input for the development of
the Village of Sturtevant's Master Bicycle Plan.**

The Village of Sturtevant has contracted with the Bicycle Federation of Wisconsin (BFW) to prepare a plan to improve bicycling in the community. The Village is requesting your valuable input to obtain information to use to prepare the best bicycle transportation system possible! Please come to the July 18th meeting to make sure that your input is included in this process.

- 1) At approximately 6:30 PM author Jack Hirt from BFW will briefly discuss the methodology used and reasoning to come up with the current drafts of the Sturtevant Master Bicycle Plan.
- 2) Observe one of the Bicycle Network maps and feel free to fill in and draw any missing links or facility suggestions
- 3) Talk with Jack Hirt or Village administrator Mark Janiuk to ask questions, make suggestions and voice support or concerns regarding the plan.

Note: It is possible that quorums of the Village Board and/or standing committees of the Village Board may be present for this meeting.
